Subject: Deep Appreciation - Healing Body and Soul Benefit Concert

My Dear CEO Ms. Malaga Smith:

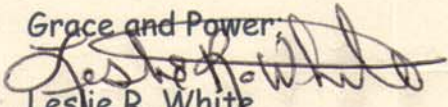

I pray that this letter reaches you in good health and spirit!!! I wanted to simply again say thanks for your supreme and dedicated support of the Healing Body and Soul Benefit Concert. It was truly wonderful.

You aided us in raising significant funds to send to the Mother Country, Virgin Islands, Dominican Republic, Haiti, and Jamaica, to help all people to which our ministries reach. The significance of just one American Dollar, is extraordinary in those lands.

I am deeply appreciate of your sponsorship support that enabled us to reach out to many others, letting them know of this endeavor. I am sure you can witness the St. Paul Church was full that day, as it was shared to you! You are one of the most creative persons I have ever met. And that is so exciting to me.

Praise God for your excellence. I look forward to our continuing working together in Jesus name!!!! Praying your strength in our Lord and Savior!!!!!!

Grace and Power
